To

C.E. NORONHA, Esq., M.A.,
Secretary to the Government of Mysore,
Development Department, Bangalore.

SIR,

In inviting your kind reference to your letter No.G. 5424/P.& S.56-38-382, dated 1st December 1938, conveying the approval of Government for the celebration of the "PRESS DAY" on the 18th February of each year and sanctioning amongst other things a grant of Rs.200/- for sports and other contingent expenses, I have the honour to state that many of the Printing establishments in the West have an annual function--Way-gooze Day as they call it--which is an outing spent in sports and other amusements. I feel that if similar outings are arranged for the employees of the Press on every "PRESS DAY" it would give a good opportunity for all the employees and the supervising staff to freely mix with one another and develop a sense of comraderie and oneness which is so essential for the smooth working of any factory. The programme will begin with Sports and other useful competitions and end with a gathering for prize distributions, &c., and will include a talk on useful labour problems. Some of the sports which cannot be conducted at the place to be visited will be conducted in Bangalore during some of the Government holidays preceding the 18th February 1940. A good feed will also be arranged on the occasion for the convenience of the employees.

I request that this proposal may be kindly sanctioned and a sum of Rs.200/- granted as was done last year, for meeting the various expenditure, expenses connected with the function, the excess being met out of subscriptions raised from willing employees as well as the supervision staff of the Press.

6

The Branch Press at Mysore, too, will have a similar function and a sum of Rs.25/- out of the Government grant of Rs.200/- will be allotted to them for the purpose.

Since the "PRESS DAY" is fast approaching, I request that early orders may kindly be passed in the matter.

I have the honour to be,

Sir,

Your most obedient servant,
